Humphrey Fellowship program, a non-degree program for mid-career professionals in Thai government and private organizations, invites applications from Thai citizens who have demonstrated leadership in public service for one year of non-degree study and practical work-related experience in the United States. For the 2019 academic year, the Foundation will recruit **up to three (3)** outstanding candidates.

PROGRAM FIELDS: The programs arranged for Humphrey Fellows are related to one of the following fields: Agricultural and Rural Development, Communications/Journalism, Substance Abuse Education, Prevention, and Treatment, Economic Development/Finance and Banking, Educational Administration, Planning and Policy, Higher Education Administration, HIV/AIDS Policy and Prevention, Human Resource Management, Law and Human Rights, Natural Resources Management/Environmental, Policy/Climate Change, Public Health Policy and Management, Public Policy Analysis and Public Administration, Teaching of English as a Foreign Language (Teacher Training or Curriculum Development), Technology Policy and Management, Trafficking in Persons Policy and Prevention, Urban and Regional Planning.

Applications of nominated candidates will be submitted to the Institute of International Education in Washington, D.C. for final review and selection.

Appropriate candidates are mid-career professionals in leadership positions who have a commitment to public service and the potential for professional advancement. **They should be currently employed by national, local or regional government units or universities or by private sector organizations, with assurances of reemployment upon return.**

The Humphrey Program is designed for those moving into positions of important responsibility and influence in their careers. Humphrey Fellows will be placed as non-degree students in graduate level courses in one of participating universities. Professional activities such as seminars, special research projects, field trips, attendance at professional association conferences, meetings with professional counterparts and professional affiliations with appropriate organizations provide fellows with practical experience in their fields outside the university setting. The emphasis is on broad-based program objectives that go beyond the acquisition or improvement of professional or technical skills alone.

FINANCIAL PROVISIONS: The Humphrey Fellowship provides a monthly maintenance allowance, a book and supplies allowance, tuition and fees when applicable, round-trip international travel to the host institution (and to the Fellow's English-language training program when applicable) and domestic travel to Washington, D.C. for a special seminar. Supplementary funds are provided for professional activities such as field trips or attendance at conferences. **Humphrey Fellowships are not renewable.** The monthly maintenance allowance ranges from US\$1,700 to 2,600 based on the cost of living in a given area of the United States.
